Analysis

Though there were 2 rapes reported in May 2016 and none in May 2015, it is still about average since there were 3 reported in May 2014. The number of robberies increased by 1 each year establishing a slowly rising trend. However the number of aggravated assaults decreased from 6 to only 2. Most important is the number of residential burglaries decreased by 68%, even lower than in May 2014. The number of drug cases and DUIs continued to rise, establishing an upward trend. All productivity rates were lower than normal with the exception of citations, which were only 2% less than May 2015. Accidents continue to rise, but at a much slower rate than they did in May 2015. The crimes pin map clearly shows the most active area is along North Henry Blvd.
